Foundation Gives 21 Scholarships

A total of 21 Sig Eps at colleges and universities over the U.S. were given scholarships by the Sigma Phi Epsilon Educational Foundation during the Fall.

Brother J. E. Zollinger, foundation president, says the Foundation annually awards scholarships to student members who qualify on the basis of scholarship, leadership in fraternity, college and community activities, and need.

This year \$5,550 in scholarships was awarded and over the past 15 years a total of \$51,600 has helped students to continue their education. The Foundation now has assets of \$365,000 but is seeking to raise \$1 million for additional scholarships.

Scholarship winners and their schools are: Daniel M. Anderson, Thomas J. Strup, and Thomas A. Weatherford, University of Richmond; Robert C. Jones and Michael W. Newton, College of William and Mary; Dennis M. Kerstiens, Richard M. Liconti, and Richard D. Rein, Colorado School of Mines; Ronald J. Ameco, Youngstown University; James W. Douglas, Morris Harvey College; D. Steven Erickson, Wichita State University; Steven L. Evans, University of North Carolina; Richard D. Knox, Jr., Virginia Commonwealth University; James F. Mauney, Lenoir Rhyne College; James M. May, Kent State University; Roger D. Moore, University of

Dr. Thomas McCaul

Last Fraternity Founder Dies

Board Meets at Atlanta, Drops NIC Membership

Nearly a dozen agenda items, ranging from withdrawal from the National Interfraternity Conference (NIC) to adoption of a hospital indemnity plan for members and the setting of the 1973 regional academies occupied the Sigma Phi Epsilon Board in Atlanta the weekend of Jan. 19-20-21.

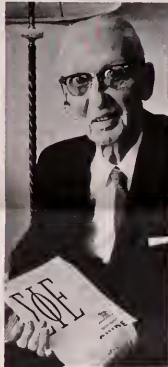

Presided over by Grand President, Dr. R. Eric Weise, nine of the ten members were present.

In lengthy shirt-sleeve business sessions the Board voted not to include in the Financial Plan payment of the 1973 NIC dues, and Director John Hartman, Sig Ep's NIC representative, resigned from the NIC board (the NIC decision was made on the basis that the services and benefits provided were not consistent with the cost effectiveness); studied and approved the programs and schedules of the regional academies and the 1973 Grand Chapter; approved a new district system concept with fewer governors, larger territories, as well as a

(con't. page 12)

Dr. Thomas Vaden McCaul, Sigma Phi Epsilon's last remaining founder, died Saturday, Nov. 18, 1972 in Gainesville, Florida where he made his home.

Brother McCaul was last seen by the general fraternity at the Atlanta conclave in the summer of 1971. Those who attended this meeting will recall his standing on a chair, waving his cane vigorously, with his white handkerchief aloft, while hundreds of young Sig Ep brothers and alumni gave him a wild, cheering, standing ovation. At that time Founder McCaul was 92 years old.

"Uncle Tom," as he was affectionately known, was born Nov. 25, 1878, in Charles City County, Virginia and entered Richmond College in February, 1898 as a pre-law student but changed to become a ministerial student in the fall. He received his B.A. from Richmond College in June, 1902, and the ThM degree from Southern Baptist Theological Seminary in 1905, and an M.A. degree from the University of Virginia in 1908. Honorary Doctor of Divinity degrees were conferred upon him by the University of Richmond and Stetson University.

As a student, Uncle Tom was in debating, oratorical contests, and a literary society. He joined the 11 others to found Sigma Phi Epsilon Fraternity, and he was the last surviving founder of the Fraternity. He took great pride in his fraternity, helping to found several chapters. He was appointed National Chaplain in 1947 and served faithfully until 1959. He attended the 32nd Grand Chapter in Atlanta (1971) where he touched the hearts of all in attendance when he stood upon his chair, vigorously waving his cane which was topped with his handkerchief, to acknowledge with a great smile the tumultuous applause which greeted him.

Texas Lambda Installed Dec. 9

By Scott Reeves

On December 9, 1972, Sigma Phi Epsilon branched out to a junior college campus for only the third time in its history with the installation of Texas Lambda Chapter at Tyler Junior College.

The new chapter is partially an experiment since it is only the third junior college chapter of Sig Ep and the first in Texas. Sig Ep chapters are in existence at Vincennes University and Miami-Dade South Junior College in Florida. Although nationally the Greek system is new at Tyler Junior College, it has been in existence locally since 1945 when Kappa Sigma Lambda, the local fraternity from which Texas Lambda grew, was formed on principles closely resembling the ones of Sigma Phi Epsilon. National fraternities have only appeared on the scene since 1971 when Delta Upsilon came to the campus.

Though Texas Lambda is the newest national fraternity on campus, it was the first one ever founded at Tyler. Kappa Sigma Lambda is the oldest fraternity on campus and is recognized for

News From the Chapters

Auburn

For the brothers of Alabama Alpha chapter, this has been a very busy and important quarter. It was learned late in the summer that our new house would not be ready in time for us to move in as was planned. Even though we are all scattered about in different places on campus and in town, it has not dampened our efforts to make this a most productive quarter.

After a fall rush which netted us 10 very fine pledges, we instituted an also successful little sister rush which added 15 more girls to our already active group of little sisters and one of these new little sisters, Miss Martha Ray, was just selected as one of the 12 winners in the Auburn Calendar girl contest.

The president of our chapter, Ken Rogers, was elected vice president of the School of Business in Spring quarter elections and was just recently chosen as one of 22 new members of Omicron Delta Kappa, men's honorary leadership fraternity on the Auburn campus.

In sports, the "Purple Gang" displayed an undefeated season in volleyball and a herth in the coming playoffs. We are also preparing for what should be one of our most successful seasons in basketball.

With the new house to be ready for us in the winter quarter, the brothers of Alabama Alpha are growing extremely excited and anxious about this goal which has been sought for many years and is now almost a reality. —Ben Ash

Ball State

The Sig Eps at Ball State University started the 1972 school year off like they ended the old one, in true Sig Ep fashion, by being the number one fraternity on campus.

Last year the Sig Eps captured the Fraternity All-Sports Trophy by winning first in fraternity golf, cross-country, basketball, gymnastics, wrestling, track, and second in volleyball, ski and fast pitch softball, and triathlon. So far this year the Eps have placed second in golf, third in soccer, first, fourth, and fifth in cross-country, and are All-School Football Champs for the second time in three years. The prospects for this year's sports look real good with the addition of big Ike Caudill on the Sig Eps' house

basketball team. The front line averages 6'7" and is favored to win the All-School Basketball Championship.

In other activities, the chapter placed third in the float competition at Homecoming.

In early October, the Sig Ep House was visited by Miss Nude Universe. She spent all day at a football game with the chapter and gained some publicity, as did the chapter.

In other news, the Sig Eps started their own Little Sister of the Golden Heart Organization. It was a great success and now there are 57 little sisters at their chapter.

Finally, the Eps are remodeling their house and have added new furniture. Right now, the chapter is firing up for rush in hopes of duplicating the 50-man pledge class that they took last year.

—Steve Roe

Bradley

This has been quite a successful year so far for Illinois Delta. The fraternity football team rose beyond everyone's expectations, finishing 4-2 and placing a record number of players on the all-star team.

Sig Eps were quite successful in the Greek Week competition, highlighted by Brother Jack Monst's victory in the cake-eating contest. Also, Brother Bob Snowden was voted this year's Cool Guy at Bradley.

The social highlight of the semester was the annual Diamond Princess Formal, sponsored by the pledges, with the representative from Pi Beta Phi being crowned Queen Illinois Delta is again planning to sponsor the Sig Ep Midwest Basketball Tournament early in March.

Cal. State—Sacramento

Many changes have occurred in Sacramento recently. The brothers at California Theta Chapter have been busy with many improvements to the house. With the inspiration of "House Mother" Robert Lee Arens, we have accomplished such jobs as repainting the house, interior decorating and the addition of a color television. Currently we have 16 brothers living in the house.

Brother Steve Dean recently participated in the Olympic Trials for the marathon run and also placed well in

the Boston Marathon (ninth place). Also Brothers Jim Sharp, Dan Dowell and Dennis Fabbri are brothers to the local Alpha Phi sorority.

We are anticipating an exciting weekend pledge retreat at South Lake Tahoe. Our 29-man active chapter is currently training a nine-member pledge class, the most outstanding group we've seen in a long time.

Our officers for this past year are: Jack Beebe, president; Jim Sharp, vice president; Jim Marquart, secretary; Jim Newsum, controller and Robert Lee Arens, house manager.

Cal. State—San Diego

Social events highlighted the first part of this year for California Delta, and included a Desert Retreat, a Casino Night, Dogpatch Night, Gotocha Night and our annual Red-Headed Fireside, a full-tilt party put on by the pledges for the actives.

A new addition to the party scene that is expected to become a tradition is the Over the Hump Party (hump of the week, that is). Every Wednesday night the brothers or the house buys a keg and holds an informal party with the Sweethearts. This is a good time to forget school exists as well as an excellent time for fraternity business to be discussed in a social atmosphere.

The coming Spring looks even better for the brothers of Cal Delta.

—Steve McConnell

Central Michigan

Michigan Gamma finished last year by winning the fraternity all-sports race, and started this school year by winning softball, cross-country and finishing second in football. Brothers Mark Bennett and Dennis La Fleur made Central Michigan's varsity football team, while Mike Funnell is the starting center on CMU's basketball team.

Rush was a success this fall, with 16 pledges.

Colorado University

Here at Colorado's Alpha chapter of Sigma Phi Epsilon, with 33 actives and nine pledges, the Fall season started off with a "pop, fizz, gulp, and cheer." With the first week of classes under way at the University of Colorado, we held our first

party, an all-school function. We had over 800 people dancing and 20 kegs of beer to keep everyone smiling. The function was a tremendous success!

Now with \$100 in the bank from that party alone, the Sig Eps of Boulder are planning their yearly traditional parties—Bootleggers, Coming of the Bird, and our Ski Formal at Aspen.

—George Gumbiner

Davidson

The North Carolina Epsilon chapter begins its year with great optimism and with a membership increase of 18 men.

Sig Ep is well on its way to becoming the dominant force at Davidson and problems with college administrators have bound the brothers into a cohesive group which is strongly dedicated to the fraternal ideal.

The off-campus alumni house is the focus of the social activities of the chapter. The help of a loan from national headquarters and the guidance of the chapter's alumni board by Blake Anderson, James Williams, Bayles Mack and other dedicated alumni has enabled the chapter to make a new beginning off campus. A fund drive has begun to help pay back the loan to national and the response has been encouraging to the brotherhood, but more help would be greatly appreciated.

To find out more about the fund drive please contact James Williams of Yadkinville, N.C. or the chapter at: Box 634, Davidson, N.C. 28036.

Homecoming on Oct. 27-29 was a great success and special attention was given to chapter alumni with a reception at the alumni House immediately after the Davidson-Bucknell game.

Plans for rush are going ahead and prospects for an excellent year are in store, both in quantity and caliber of interested men.

The sports scene is bright for SPE. The chapter finished second in the Flickerball (a form of touch football) tourney and plans for a good basketball season are in prospect with the return of John Simms, intramural league leading scorer.

Response was good to our special alumni newsletter and another is forthcoming shortly.

Enough cannot be said for the im-

(con't. page 6)

Sig Eps At Bucknell

ARTHUR D. GRIFFIN

William J. Agronin, Jacksonville, is a history teacher and assistant varsity basketball coach for Lockport Senior High School, Lockport, New York. His record last year: 15 wins, three losses, second place in Western New York tournament.

Thomas W. Aldridge, Atlantic Christian, is practicing law in Mebane, N. C. with the firm of Long, Ridge & Long.

Robert C. Appel, Central Michigan, is office and credit manager with Lawn-Boy Distributors of Michigan, in Holt, Mich.

Richard T. Bauer, Toledo, is an attorney with the firm of Boggs, Boggs & Boggs Co. L.P.A. in Toledo, Ohio.

Frederick J. Beste III, Stetson, has recently been elected vice president of Greater Washington Investors, Inc. in Washington, D. C.

Howard D. Bidwell, Bucknell, has his own firm for the manufacture and erection of precast walls for building construction. Annual volume is approximately \$2 million for the company.

Michael B. Bingham, Washington (St. Louis), is executive director of the St. Louis Teachers Association. He was previously public relations director of Hancock Place School District, St. Louis County, Mo.

Berge A. Borrevik, Jr., Oregon, has been named athletic director at Whitworth College in Oregon. He was formerly a physical education instructor at the University of Oregon.

Bob Broeg, Missouri, is sports editor of the St. Louis Post Dispatch and has published his third book, "Super Stars of Baseball", profiles of 40 top players of the past.

John Christman, Thiel College, is assistant manager of the New York Life Insurance Co. office at Shaker Heights, Cleveland.

Judge Leroy J. Conlie, Jr., Michigan, is a U.S. Federal Judge.

Donald Custer, Washington, is a government planner with the title of State Planning Supervisor for the Department of Social and Health Services, State of Washington.

G. F. Palmer, Iowa, is enrolled in the Air Force Command and Staff College, Maxwell AFB, Ala. and working on his masters degree at Troy State University at Montgomery.

Joseph C. Elgin, University of Virginia, retired in June, 1972, as dean, School of Engineering and Applied Science, at Princeton University.

Robert C. Emde, Michigan, is a CPA and partner in Ernst and Ernst at Birmingham, Mich.

Donald E. Ewing, New Hampshire,

Alumni In the News

is a general insurance agent for Aetna Life & Casualty in Falls Church, Virginia. He retired from the Foreign Service State Department in 1969 after 25 years service.

Woodrow W. Finley, Texas, has retired from Gulf Oil Corporation after 35 years service. He reports missing only two days work for illness in that time.

Dr. Frederick T. Fraunfelder, Oregon, professor and chairman of the ophthalmology department at the University of Arkansas Medical Center, was recently elected to the board of trustees of the Association of University Professors in Ophthalmology.

James L. Fulmer, Louisiana State, is retired as a district engineer with the South Central Bell Telephone Co., and lives in Louisville, Ky.

Richard S. Grant, Iowa State, is vice president, construction material manufacturing for Owens-Corning Fiberglass Corp. in Toledo, Ohio. He and his wife, Betty, were honored at the Iowa State Kansas State football game last fall at Iowa State as "Parents of the Year." The Grants had three generations of Sig Eps in attendance that day.

Lemuel D. Groom, II, Arkansas, is an associate professor and advertising manager for the Daily D'Arcole at Oklahoma State University. He was a participant last summer in an International Communications seminar at Sali, Yugoslavia on the island of Dugi Otok.

John Hartman, Missouri (Columbia), and member of the Sigma Phi Epsilon board of directors, has been named the new West Central Regional Manager of National Oats Co. of Cedar Rapids, Iowa. He was formerly regional sales manager for The Dow Chemical Co., Consumer Products Dept.

Harold F. Hedger, California, retired consulting civil engineer, has received an honorary membership in the American Society of Civil Engineers.

Dr. Ralph Hale, Indiana, retired senior scientist of the Ann Arbor Great Lakes Fishery Laboratory of the U.S. Department of the Interior, has received the American Fisheries Society 1972 Award of Excellence.

Gordon D. Hoople, Syracuse, is a self-employed Otolaryngologist in Syracuse, N.Y. He is co-founder of the Onondaga Pastoral Counseling Center (1967).

Thomas J. Hutcherson, Valdosta State, is assistant principal of a junior high school in Columbus, Ga.

Grover J. Isbell, Texas (Austin) is vice president of the George E. Cameron Co. Inc. and has also been appointed commander of the Oklahoma Air National Guard with the rank of brigadier general.

Irving C. Keene, Middleburg, is a travel lecturer and recently took a 44,000 mile trip around the world filming people, plant and animal life from Nepal to Africa. He lectures before women's clubs, garden clubs and civic groups.

Lawrence King, Idaho State, teaches in the Calgary, Alberta, Canada high school and is also a physical education

teacher as well as basketball and track coach. He was the Alberta track and field coach for the Olympic trials in Toronto last summer.

Ralph E. Kinsey, Univ. of Richmond, was recently elected first vice president of the Richmond board of realtors and a director of the Virginia Association of Realtors. He was a delegate to the NAREB convention in Honolulu last fall.

John A. Krider, Kansas State, has formed Studio Central Studio specializing in graphic arts, commercial and institutional design, writing and advertising.

John Larkin, Santa Barbara, is station manager of KMTI Stereo 93 in Medford, Oregon.

Carroll E. Lawrence, Univ. of Evansville, is a salesman with Xerox Corporation working in the government-medical area.

Michael J. Marrie, Youngstown State U., is a senior accountant with a firm in North Olmsted, Ohio.

Charles G. McDaniel, Univ. of Richmond, was recently elected councilman of the City of Fredericksburg, Va. He is executive vice president of a transfer and storage company there.

Richard A. McIntire, Miami (Ohio), is an architect and principal owner of a firm which recently won a national award from the Federal Bureau of Public Roads for design of the Sunset Point, Arizona rest area and was also awarded a merit award by the National Parks & Recreation magazine for design of the Tempe, Arizona Canal Park rest area.

Dr. Samuel Lewis Meyer, Ohio Northern, is president of Ohio Northern University and chairman of Ohio Foundation of Independent Colleges. He was recently elected a member of the University Senate, the accrediting and standardizing agency for all educational institutions related to the United Methodist Church.

Jack Miller, Washburn, is now vice president for alumni administration of the University of Nebraska Foundation and executive vice president of the alumni association.

Michael J. Murray, Univ. of Detroit, is a CPA and senior accountant for manufacturers National Bank in Troy, Mich.

Donn B. Murphy, San Jose, is professor of sociology at West Valley College in Los Gatos, Calif.

Dr. Charles V. Netz, Minnesota, is retired and professor emeritus at the University of Minnesota. In 1971 he published a 295-page History of University of Minnesota College of Pharmacy.

Lynn C. Newland, Youngstown U., is a foreign correspondent for the Associated Press and is now stationed in Manila.

John A. Newton, Iowa State, is a project engineer at the NASA Marshall Space Flight Center in Huntsville, Ala.

Leigh B. Peede, North Carolina State, is working on his masters degree at the University of N.C. He has completed 3½ years in the U.S. navy.

TOWNSEND TATTERSON

Ed Peltz, Marshall, is an administrative accountant, student activities, for the Parma City Schools, Parma Heights, Ohio.

Robert R. Powers, Miami (Ohio), is a dental student at the University of Kentucky.

David S. Richards, Bradley, is a sales representative for McGill Manufacturing Co., electric division, and works the states of Indiana and Kentucky.

Philip F. Rose, Rutgers, is director of marketing for a division of E. I. DuPont De Nemours Co.

Robert L. Sanstrom, North Carolina, has been named a vice president of Young & Rubicam International, one of the country's largest advertising agencies. He was formerly with Allied Stores and Stern Bros.

William R. Seymour, West Virginia, is a craft specialist for the Farmer Cooperative Service, U.S. Dept. of Agriculture, Bladensburg, Md. He is the author of more than 20 publications on cooperatives.

James Shephard, USC, is a teacher and director of choral organizations for Carlsbad High School, South Laguna, Calif. One of his choirs was recently selected to participate in the Costa Mesa Invitational Choir Festival.

Brent D. Shore, Florida, is an attorney with the Federal Communications Commission in Washington, D.C.

L. Robert Stallings, North Carolina State, is a construction superintendent and project manager for Kimberly Develco in North Lauderdale, Fla.

William G. Stoewer, Johns Hopkins, has completed his MS in Industrial Engineering and is operations industrial engineer assigned to Production Control, Babcock and Wilcox Co., Beaver Falls, Pa.

John C. Straton, Jr., Univ. of Virginia, is first vice president of the James H. Oliphant & Co. of New York City. He is also president of the University of Virginia alumni association of New York.

Scott W. Stuck, Wichita State, is a third-year law student at Harvard and will graduate in 1973. He is president of the Republican Club, vice president of the Marshall Club and a member of the Lincoln's Inn Society.

Emil G. Trout, Iowa, an attorney, is state chairman of the membership committee of the Iowa State Bar Assn. and is a former member of the group's board of governors.

John H. Vaughan, Iowa State, is a systems analyst for the McDonnell-Douglas Astronautics Co. at Cape Canaveral.

Herb Wacker, Texas Christian U., is
(next page)

an exploration geologist for Amoco Production of Houston, Texas. He has completed his requirements for the masters in geology at University Texas-El Paso.

Frank N. Phelps, Jr., Kansas, was among those attending the Greater St. Louis Sig Ep Alumni chapter dinner in November honoring 25 and 50-year members of Sig Ep.

Dr. Glenn R. Swetnam, U. of South Mississippi, is professor of English at Nicholls State University in Thibodaux, La., is president of the Louisiana State Poetry Society and the author of more than 150 poems which have been translated into five languages.

Harry E. Weiser, Vermont, is administrative principal of Bellows Falls Union High School in Bellows Falls, Vt.

Herbert P. Van Rancome, Syracuse, is retired in Wolfboro, N.H. but serves as president of the board of trustees of Brewster Academy in Wolfboro, secretary of Huggins Hospital and vice president of his Rotary club.

Dr. Gordon J. Rhum, Iowa Wesleyan, is dean of the graduate college at the University of Northern Iowa in Cedar Falls, Ia. He has been with the school since 1948.

Donald E. Williams, Ball State, is a chemical engineer with Wilson Sporting Goods, at River Grove, Ill.

Jonathan C. Robinson, Wake Forest, is a counseling clinical psychologist with a mental health center in Elizabeth City, N.C.

Dr. John H. Reed, Wake Forest, is a professor on the faculty of Clarion State College in Emonton, Pa.

Frank A. Rouse, North Carolina State, is president of a road construction company and chairman of the North Carolina Republican party.

Dr. William F. Martens, Wisconsin (Madison), Wauwatosa, Wis., was initiated as a Fellow in the American College of Surgeons and American College of Obstetricians and Gynecologists in 1972.

Dr. Richard E. Mitchell, Georgia, is a plant pathologist for the U.S. Environmental Protection Agency, in Alexandria, Va.

James Hull, Sacramento State, is business manager and announcer for the International Roller Derby League and travels throughout the U.S. He makes his home in Walnut Creek, Calif.

Joseph W. Poplinski III, Rhode Island, has been transferred recently to Kwajalein, Marshall Islands, for an 18-month assignment. He is a planning engineer with Western Electric Co.

Ewing P. Pycott, Iowa State, is chairman of the board and trustee officer of the First National Bank of Scarver, Ark. He has been a banker continuously for 51 years.

James L. McCraw, New Mexico, retired Atomic Energy Commission employee at Albuquerque, N.M., recently received a New Mexico Distinguished Public Service Award for his work in the development of a UNM program to train persons to meet government job criteria. He was formerly deputy manager of the AEC's Albuquerque operations complex.

Otis C. Ferrell, Washington and Lee, has retired from the U.S. Navy with the rank of captain and is president of the Redlake Corp. in Saratoga, Calif.

Dr. William K. Emerson, San Diego State, is a biologist and curator and chairman of the department of living invertebrates at the American Museum of Natural History in New York City. He is also the author of a new book, *Shells*, published by Viking Press.

The Rev. Robert D. Battin, Alabama, is headmaster of St. Andrews Episcopal School in Jackson, Miss., an institution which enrolls children from pre-school through the 12th grade and which has an enrollment of 600. Father Battin's wife works for the school as a guidance counselor.

Michael J. Decker, Miami (Florida), is a distribution supervisor for Carbide Reduction in Linden, N.Y. He was married last November.

George McIneven, Cincinnati, is classified advertising manager for the Cincinnati Enquirer. He was recently elected to the national board of directors of the Association of Classified Advertising Managers which represents newspapers over the U.S. and world.

H. Richmond Wannen, Washington (St. Louis), is a psychiatric social worker specialist for the U.S. army at the 130th Station Hospital in Heidelberg, Germany.

William L. Richards, Western Michigan, was named head tennis coach at Ball State University in September 1972. He was previously coach at Portage Central High School in Michigan.

J. Randall Luffberry, Bucknell, is an assistant district attorney for the state of Alaska in Anchorage. He formerly practiced law privately in Alaska.

John F. Derr, Purdue, has recently been promoted to Director of Pharmaceutical Health Care Development for E. R. Squibb & Sons, Inc. As such he will be responsible for development of new products for pharmacy, hospital and veterinary divisions of the company. He was nominated for Outstanding Young Men of America in 1972.

James R. Smith, North Texas, has been promoted to administration manager, data processing division of IBM at El Paso after being operations manager, data processing for IBM at Albuquerque. He has been with IBM since 1967.

Charles A. Gelfinger, Thiel College, is a teacher of German at Interboro High School, Glenolden, Pa. He was a Peace Corps volunteer in 1965-66 and has been teaching six years.

Dr. W. Wilson Pitt, Jr., South Carolina, is a development engineer and group leader at the Oak Ridge National Laboratory. He is also a commander in the U. S. Naval reserve and listed in American Men and Women of Science.

Dr. John D. Roush, Central Michigan, has just opened a private dental practice in Holland, Michigan. He served three years as a U.S. army dentist in Frankfurt, Germany.

K. Shoemaker, Oklahoma State, is a teacher-counselor in the business division of Everett Community College in Everett, Wash. He retired from the U.S. Air Force as a Lt. Colonel in 1970.

Leonard F. Sanborn, Maryland, is retired but has been elected a representative to the New Hampshire state legislature for 1973-74.

Lawrence S. Driever, Jr., Randolph-Macon, is a merchandiser and assistant buyer for Macy's of New York after serving in Vietnam as a marine corps officer he obtained his MBA degree.

L. Meade Hanger, Illinois Inst. Tech., is a national marketing representative for IBM and reports that his son, David Lee, has pledged Iowa Beta.

Girard S. Cloutier, Delaware, is completing his final year at the Wharton Graduate School. He lives in Morton, Pa.

Robert F. Wildpret, West Virginia Inst

Tech., is production supervisor for Westinghouse Electric Corp. and lives in Fairmont, W. Va. He is working on his masters degree at West Virginia U.

G. Allen Bubolz, Indiana, is a partner in the Bubolz-Hoppeier Real Estate Agency, an office of Midwest Properties, Inc., a land development company, secretary-treasurer of Central American Builders, Inc., and he is involved in a number of other business activities in Appleton, Wisconsin where he lives.

Paul S. Murphy, George Washington, is a hospital visitor and field agent for the Masonic Services Assn. of the U.S. He is retired from the Department of the Army where he spent 37 years as an engineer, 29 of them with the National Bureau of Standards. At 75 he is president of "The Fossils", an organization of men who are retired from their regular vocation.

The Rev. Ronald L. Kneram, Westminster College, is a Roman Catholic priest in the Diocese of Pittsburgh, Penn. He is associate pastor in the parish of St. Cyril of Alexandria. He entered the priesthood in 1963.

Dr. James W. Carby, Kansas, recently received his Ph.D. in Philosophy. He is the advertising and public relations director of Jim West & Company, realtor of Houston, Texas.

James R. Saitom, Kent State, is an architectural draftsman for the Akron public school system and notes that he participated in the Russian Winter Festival Seminar sponsored by the Research Center for the Study of Socialist Education at Kent State U. The group visited Moscow and Leningrad in December of 1972.

Ernest C. Goodsite, Jr., Baldwin-Wallace, principal of the Westwood Junior High School in Elyria, Ohio, and received the Outstanding Young Educator Award from both the city and state in 1972. He is listed in Community Leaders of America and Outstanding Young Men of America.

Dr. Abram E. Bennett, Nebraska, is retired and spends his time directing his research foundation, writing and lecturing, after 46 years of teaching, 24 of them at the Univ. of Nebraska where he chaired the department of neurology and psychiatry. He also spent 22 years at the University of California at San Francisco.

Dr. Harvey H. Randolph, Jr., Lamar State, is in private practice at Groves, Texas. He graduated from Kirkville (Missouri) College of Osteopathy and Surgery in 1968. He has served as chief of staff of the Doctors Hospital, Groves, president of TOMA and is on the executive board of the Regional Planning Commission.

Dr. William J. Nienoord, East Texas State, is senior assistant dental surgeon with the U.S. Public Health Service assigned to Nome, Alaska where he is working with the Indian Health Service, which includes dental care for remote Eskimo villages of Northwestern Alaska and the Bering Sea Islands.

Harrison L. Hayes, Colorado School of Mines, is an independent consulting chemical engineer after retiring from the Phillips Petroleum Co. where he was director of engineering and construction for Phillips Chemical Co. (a subsidiary). In 1971 he was president of the Colorado School of Mines Alumni Assn.

Dr. Charles Epp, Iowa Wesleyan, is professor of speech at Prairie State College, Chicago Heights, Ill. He was recently initiated into Phi Theta Kappa and

Beta Phi Gamma and is also a 40-year veteran of the Boy Scouts of America.

Rudolph A. Ashton III, Wake Forest, is an attorney and law clerk to U.S. District Court Judge John D. Larkins, Jr. in Trenton, N.C.

Farrell Holmes, Arizona State, is in his second year as the youngest high school principal in Arizona. He is employed by the Clifton (Arizona) school district.

Gene C. Brewer, Oregon, is vice chairman of the board of directors of Southwest Forest Industries in Phoenix, Ariz. and also serves as a member of the company's executive committee. He was formerly president of U.S. Plywood-Champion Papers, Inc., New York.

Dr. William H. Smith, Missouri (Rolla), is program manager of the Naval Weapons Center, China Lake, Calif. He received his Ph.D. from Arizona State U. in Systems Engineering in 1972.

Townsend A. Tattersall, III, Washington State, a representative of the Phoenix (Ariz.) general agency of National Life Insurance Company of Vermont, was a double-winner in the firm's recent sales campaign. He placed in the first ten of each of the two categories in the drive—No. 2 in percentage of quota attained and No. 4 in amount of life insurance sold.

Townsend sold 1,580% of his goal, for a total of \$1,185,000 in income protection in the five-week campaign.

Arthur D. Griffin, Jr., North Texas, has been appointed vice president—marketing for Nicolet Paper Company by Paul H. Groth, vice president and general manager of the De Pere division of the company.

Griffin is responsible for the operation of the sales and marketing functions of Nicolet's De Pere and special products divisions.

Bringing strong marketing and sales management experience to Nicolet in both converter and direct user markets, Griffin spent over 13 years with Mobil Chemical Co.'s plastics division.

Arthur S. Miller III, William and Mary, is senior field claim representative for State Farm Insurance Co. at Norfolk, Va.

Curtis A. Mauldin, Auburn, is a photographer for the department of the U.S. Army at Arlington, Va.

Dr. George W. Irving, Michigan, is on the faculty of Ball State University at Muncie.

Mark D. Wilkins, Oklahoma State, retired in November as loan officer of the Bank of Virginia at the West Broad bank. He worked for Sig Ep 10 years following graduation, then spent 20 years with the FBI before joining the bank.

Howard O. Ward, Syracuse, is a consulting engineer and partner in St. John Associates, Candor, New York. He is also serving his first term as a Tioga County legislator.

Robert M. Jernigan, Oklahoma, is administrator of the Oklahoma Environmental Protection Authority in Oklahoma City. He was one of several men instrumental in rebuilding the Oklahoma Beta chapter in recent years.

Herb Severs, Miami (Ohio), is a financial catalyst in Oakland, California.

Dr. James L. Walters, North Texas, is now in private dental practice in Dallas after returning in June, 1972 from a two-year tour with the USAF at Clarke AFB in the Philippines.

(cont. page 12)

Sig Eps In The Armed Forces...

1st. Lt. John B. Yahres, Lehigh, is army disbursing officer in Thailand. He is scheduled for return home in June.

Capt. John C. Sepko, V. Va. Tech, is a Titan II Missile Commander at Davis Monthan Air Force in Tucson. He received his MA in education in July, 1972.

2nd. Lt. William V. Youke, Davidson, is an analyst and statistician for the U.S. Army Missile Command at Redstone.

Thomas S. Fraim, Michigan, is a naval flight officer at the naval post-graduate school in Monterey, Calif., where he is studying for a masters degree in meteorology and will graduate in September.

Dr. James M. Merritt, Arkansas State, is a Lieutenant in the U.S. Navy and is serving aboard the U.S.S. San Diego in the Mediterranean. He will soon be transferred to Great Lakes Naval Hospital for a three-year residency in internal medicine.

Lt. Leer Wahler, USN, Belmont Abbey College, is a navigator assigned to the USS Francis Marion (LPA249) an amphibious transport ship.

Lt. Robert K. Chisholm, Kentucky, is an airforce pilot instructor at Craig AFB, Alabama.

Ensign David Tibbs, USN, Virginia Polytechnic Institute, is a helicopter pilot and instructor of physiology in Pensacola, Fla.

Major Paul W. Tourigny, Norwich, is assigned to the 35th Signal Group, Fort Bragg, N.C. He was awarded the Joint Forces Commendation Medal for his performance of duty while on the HOUSECOM staff in Stuttgart-Vaihingen, Germany.

Capt. Rupert H. Loyd, USN, Miami (Ohio), is assistant director for education planning in the office of the deputy assistant secretary of Defense (Education).

Captain William Q. Sionott, Nevada, is transportation officer at the U.S. Army Movements Control Agency in Germany. He spent 18 months in Vietnam and then completed the six-months Transportation officer advanced course in Fort Eustis, Va.

1st. Lt. Robert M. Murdock, Davis and Elkins College, is now assigned to Dover AFB, Delaware where he is flying C-5A planes. He was previously stationed at CCK AB, Taiwan for 20 months flying C-130's. He accumulated over 450 combat hours and 105 combat missions, along on temporary duty in Vietnam.

2nd. Lt. David F. Briski, Carroll College, has been awarded his silver wings at Williams AFB, Ariz., upon graduation from U. S. Air Force pilot training.

Lieutenant Briski is being assigned to Ching Chuan Kang AB, Taiwan. He will fly the C-130 Hercules aircraft with a unit of the Pacific Air Forces (PACAF) which provides tactical air power supporting the U.S. and its allies in Southeast Asia and the Far East.

Capt. Stephen B. Plummer, Arkansas State, has been awarded his silver wings at Williams AFB, Ariz., upon graduation from U.S. Air Force pilot training.

Captain Plummer is being assigned to Luke AFB, Ariz., where he will fly the

F-4 aircraft with a unit of the Tactical Air Command which provides combat units for air support of U.S. ground forces.

William D. Tuggle Jr., Tennessee Tech, has been promoted to staff sergeant in the U.S. Air Force.

Sergeant Tuggle is a supply specialist at Holloman AFB, N.M. He serves with a unit of the Tactical Air Command which provides combat units for air support of U.S. ground forces.

U. S. Air Force Colonel **Thomas H. Barker Jr.**, University of Omaha, has received the Meritorious Service Medal at Maxwell AFB, Ala.

Colonel Barker was cited for his outstanding duty performance while assigned to the directorate of plans, Headquarters, USAF at the Pentagon.

He is now at Maxwell attending the Air War College, USAF's senior professional military school.

Capt. Theodore F. Saunders, MSC, East Carolina, has recently been assigned to the Army Surgeon General's Directorate of Resources Management as an operations research specialist and systems analyst.

He entered the service in 1969, and served his initial tour in Europe as commander of the 56th Medical Detachment and later was on the staff of the U.S. Army Hospital, Landsuhl, Germany.

Capt. Robert C. Lock, Rensselaer, has received the U.S. Air Force Commendation Medal at Arnold Air Force Station, Tenn.

Capt. Lock was decorated for meritorious service as an aeronautical engineer at the Air Force Special Weapons Center, Holloman AFB, N.M. He was cited for his outstanding professional skill, leadership and devotion to duty.

2nd. Lt. Robert K. Chisholm, Kentucky, has graduated from the T-37 pilot instructor course at Randolph AFB, Tex. The lieutenant is being assigned to Craig AFB, Ala., for duty with a unit of the Air Training Command which provides flying, technical and basic military training for Air Force personnel.

U.S. Air Force **Capt. Raymond L. Dye**, Kansas State, has received the Air Medal at Korat Royal Thai AFB, Thailand, for air action in Southeast Asia.

Capt. Dye was cited for his outstanding airmanship and courage as a C-130 pilot on successful and important missions completed under hazardous conditions.

He is scheduled for reassignment to Minot AFB, N.D., where he will serve with a unit of the Strategic Air Command, America's nuclear deterrent force of long range bombers and intercontinental ballistic missiles.

U.S. Air Force **Capt. Richard F. DeKleine**, Bradley, has arrived for duty at Wiesbaden AB, Germany.

Captain DeKleine, an air traffic control officer, is assigned to a unit of the Air Force Communications Service which provides global communications and air traffic control for the USAF. He previously served at Cannon AFB, N.M.

Douglas E. Caywood, Emporia, has been promoted to first lieutenant in the U.S. Air Force.

Lt. Caywood, a pilot at Nakhon Phanom Royal Thai AFB, Thailand,

serves with a unit of the Pacific Air Forces (PACAF) which provides tactical air power supporting the U.S. and its allies in Southeast Asia and the Far East. U.S. Air Force **2nd. Lt. Terry L. McKnight**, Bowling Green, has arrived for duty at Kincheloe AFB, Mich.

Lieutenant McKnight is an auditor at the Air Force Audit Agency.

Capt. Thomas B. Stovall Jr., Georgia Tech, and his unit at Ellsworth AFB, S.D., have been honored for rescue and recovery work during and after the flash flood that devastated nearly 30 per cent of nearby Rapid City June 9-10.

Captain Stovall is a missile combat crew commander with the Strategic Air Command's 44th Strategic Missile Wing, which received the U.S. Air Force Outstanding Unit Award for exceptionally meritorious achievement from June 9 to July 10.

U. S. Air Force **2nd. Lt. Thomas E. Mims**, Colorado State, has been graduated from the Strategic Air Command's missile combat crew operational readiness training course at Vandenberg AFB, Calif.

Lieutenant Mims now goes to Ellsworth AFB, S. C., for training as a Minuteman missile combat crew member.

Capt. Douglas G. Barclay, Ohio Wesleyan, has received a regular commission in the U. S. Air Force at Griffiss AFB, N.Y.

He is serving at Griffiss as chief of the quality control section, 416th Combat Support Group. The 416th is a unit of the Strategic Air Command, America's nuclear deterrent force of long range bombers and intercontinental ballistic missiles.

1st. Lt. Mark C. Kipperman, San Diego State, has been awarded silver wings upon graduation from U.S. Air Force navigator training at Mather AFB, Calif.

Lt. Kipperman is being assigned to Dover AFB, Del. for flying duty with the 9th Military Airlift Squadron of the Military Airlift Command. MAC provides global airlift for U.S. military forces.

2nd. Lt. John M. Reed, Univ. Calif.—Davis, has been awarded silver wings upon graduation from U.S. Air Force navigator training at Mather AFB, Calif.

Lieutenant Reed is being assigned to Travis AFB, Calif., for flying duty with a unit of the Military Airlift Command which provides global airlift for U.S. military forces.

John L. Smith, South Carolina, has been promoted to captain in the U.S. Air Force.

Capt. Smith is chief of security police at Hancock Field, N. Y. He is assigned to a unit of the Aerospace Defense Command which protects the U. S. against hostile aircraft and missiles.

1st. Lt. James D. Wortham Jr., North Texas, and his unit at Ellsworth AFB, S.D., have been honored for rescue and recovery work during and after the flash flood that devastated nearly 30 per cent of nearby Rapid City June 9-10.

Lieutenant Wortham is a pilot with the Strategic Air Command's 28th Bomb Wing, which received the U.S. Air Force Outstanding Unit Award for exceptionally meritorious achievement from June 9 to July 10.

U.S. Air Force **Major George W. Thelin II**, Massachusetts, has received the Meritorious Service Medal at Norwich University, Northfield, Vt.

Major Thelin was cited for his performance with the 356th Pilot Training Wing at Webb AFB, Tex. His outstanding professional skill and leadership contributed to the success of the Air Force undergraduate pilot training program.

He is now assistant professor of aerospace studies with the Air Force Reserve Officers Training Corps (AFROTC) detachment at Norwich University.

1st. Lt. Frederick L. McIntire Jr., South Carolina, has deployed to Thailand with the U.S. Air Force's 354th Tactical Fighter Wing.

Lieutenant McIntire is a supply operations officer with the wing—equipped with the A-7D Corsair attack fighter—which moved from Myrtle Beach AFB, S.C., to Korat Royal Thai Air Force Base.

Capt. Guy E. Brown II, Arkansas, has deployed to Thailand with the U.S. Air Force 474th Tactical Fighter Wing which flies the swing-wing F-111 fighter-bomber.

Captain Brown is an information officer with the wing, which moved from Nellis AFB, Nev., to Takhli Royal Thai Air Force Base.

Those chapters which publish a newsletter are urged to mail a copy to The Journal editor. From time to time those newsletters which appear most attractive and well edited will be discussed and pictured in the Journal, and also at the Grand Convulse in Denver this summer.

Second Class Postage
Paid at Richmond, Va.

The Sigma Phi Epsilon JOURNAL is an educational journal published by Sigma Phi Epsilon Fraternity. It is published five times a year (September, December, February, April, June) at Sigma Phi Epsilon Headquarters, P. O. Box 1901, 3800 Chamberlayne Road, Richmond, Virginia 23215. Life subscriptions are \$15 (now included in initiation fee); annual subscriptions are \$1.50, single copies are \$5. Second-class postage is paid at Richmond, Virginia. Member of the American Alumni Council. Printed in U.S.A.

Chapter News

(Continued From Page 2)

portance of alumni support in all chapters throughout the country. In many institutions administrators and faculty have become hostile to fraternities and have actively opposed their formation. Many chapters, because of this pressure, have fallen on hard times and some have failed, yet the ideal of fraternity lives in the hearts of many men, refusing to be extinguished by narrow-mindedness.

The alumni of all chapters share the same brotherhood with their undergraduate members. That brotherhood must not be allowed to die from inactivity or lack of support. The brothers of Sigma Phi Epsilon at Davidson invite each brother who passes by to stop in and meet the brothers, and make new friendships and share fraternal experiences. Our deepest appreciation to those who participated in the fund drive.

—Jim Williams

Delaware

Delaware Alpha manpower is 61 brothers and 11 pledges.

The University of Delaware Blue Hen Football Team is well on its way to its second consecutive small college football championship. Sig Eps on the team include Ken Lacey, fullback, Mike Koehler, center, John Shea, guard, Ed Romanowski, halfback, Bill Cubit, quarterback, and Vic Leonard, guard. Brother Steve Morrison holds down the right wing slot for the Hen soccer team, and Bill Sullivan, Bob Nack, and "Delaware Dan" Randall are beginning preparations for this year's Varsity basketball season.

In intramurals, the SPE floor hockey team remains undefeated in its quest for the intramural championship. The Sig Eps have also distinguished themselves with high finishes in touch football, golf, and billiards to be among the top fraternities on campus in overall intramural points.

Academically, Chuck Kamr once again led the way with a 4.0 grade point average last semester. He attained this perfect index while also starting on the first midfield on the Delaware Lacrosse team. Other brothers who made the Dean's List were Jerry Colov, Michael Pearce, Kevin Dunleavy, Scott Hillman, and Kirk Beche.

Fast Carolina

The best homecoming in recent years was celebrated by all brothers and a large turnout of alumni.

Before the festive homecoming weekend started the brothers and pledges painted the outside of the house and did some renovating inside.

The brothers are now working on a strong winter rush after getting six pledges in the Fall quarter.

In intramurals Sig Eps placed second in football with an 8-3 record and also first in volleyball. It looks like a first-place finish in basketball.

Sig Eps rented a bus to see East Carolina play their arch rival William and Mary.

—Elliott Mann

Emporia State

Although Kansas Epsilon has become smaller, our men still remain active on the Emporia State campus. Currently we have Brothers Charlie Van Houten, Stan Unruh, Bob Baldwin, and Jack Sterrett in Blue Key.

Jack Warnock and Rick Sedlaeck are serving as student senators from the business department. This past summer Larry Lucas was elected national president of Phi Beta Lambda business fraternity and president of the local Administrative Management Society. Bob Baldwin just finished his term as president of JFC and still remains active in the organization.

Jon Hitchcock was recently elected secretary-treasurer of IFC. Charlie Van Houten is actively involved in Caduceus Society on campus. Mike Hottman has remained active on the Union Activities Council as his class representative for the past three years. Jack Warnock is assistant business manager of the school newspaper, state historian of Phi Beta Lambda, and secretary of the Administrative Management Society.

—Tom Heitman

Ferris State

October 2 the Sig Eps at Ferris State started another academic year. Preparations for our 44th Annual Homecoming were immediately put into operation. General chairman for this year's Homecoming is Lynn Wolgast.

Elections for next year's executive board are now starting. Elections will be held at the end of Fall Quarter 1972.

Our intramural sports program is now under way with football already starting. We are entering four teams in this year's competition. This will be the third consecutive year we could win the All-Sports Trophy, better known to us as the Bunker Trophy. We could put it in retirement at our Lodge at the end of this year.

—Richard Wiles

Florida

Under the direction of President Tom Ratliff, the brothers of Sig Eps have rolled to domination amongst the 29 fraternities on campus.

With a 39-man pledge class, largely due to the efforts of Mike Rush, Sig Eps have topped the campus average of 28 by 11 men. Florida Alpha pledges have actively displayed their strong, enthusiastic unity by hosting a pledge Sweetheart Ball, Little Sister Rush, and by routing the SAE pledges in a tackle football game.

Our 26 new and attractive Little Sisters are an immense asset to Florida Alpha.

Athletically, Sig Eps are once again headed toward the President's Cup Newly-pledged standout athletes are Ed Badylac (Baseball), Rich Yates (Basketball), and Jeff Creaman (Wrestling). Other varsity athletes include Bob Michaels and Kevin Morris (golf), Jeff Wilson (archery), Jim Anderson (wrestling), and Bert Harris (ski team).

Alumni support for the House has been at its peak. Florida Alpha prides itself on its Alumni and strives to provide as many Alumni-Chapter functions as possible. Florida Homecoming looks to be an alumni highlight, as the Chapter endeavors to make their return a memorable one.

Fraternity Weekend this year will be another sensational affair.

The brotherhood, along with Alumni support, is headed to the Bahamas. Following in the footsteps of previous SPE adventures (Sapphire Valley Ski Trip,

GARY BRIDWELL, senior at Oklahoma State, wearing his "pistol Pete" outfit at OSU's stadium with new Astro-turf.

New Orleans, and Nassau), this year's cruise to the Bahamas will mark the high point of the Sig Eps social calendar.

Florida Alpha boasts a deep involvement in campus life. Mark Rauth, chapter vice-president, has recently been elected administrative vice-president of the I.F.C. Gator Growl, the largest student-produced show in the world, is headed by Chris Anderson.

"We express our sincere sympathies over the recent death of Uncle Tom McCall. He was an inspirational figure to our chapter, and will be dearly missed."

—Jim Creaman

Fort Hays

This fall Susan Wheeler was honored as the most outstanding Golden Heart because of her sincere dedication to our Sig Eps chapter. Susan attended all smokers, functions with the GH's and above all, she was always there when work needed to be done.

In the latter part of October the pledges of the fraternity held a spaghetti feed to raise funds for their pledge sneak, and made \$165.75.

On Nov. 4, the Kansas Zeta chapter took part in the annual Walk-a-Thon to raise money for the retarded in Hays. The Sig Eps showed an enormous turnout for the Walk-a-Thon being the only fraternity participating among an age group from 5 to 60 years. Following on Nov. 14 the Sig Eps went to Kansas City for the annual K.C. Alumni Sig Eps Showcase and returned home with a trophy for the "most outstanding chapter" in the area including Kansas and Missouri.

Oct. 7th, the chapter sponsored its annual Xmas party. Twenty underprivileged children in the area were invited. Santa Claus gave the children presents. Refreshments were served and numerous games were played. All in all it proved most successful as once again the gleam of happiness returned in the eyes of the children.

Henderson State

Arkansas Beta Chapter of Sigma Phi Epsilon has enjoyed a prosperous fall and extends a friendly welcome to any brother stopping by. Six brothers of Arkansas Beta were named to Who's Who in American Colleges and Universities from HSC for 1972-1973. In student activities this year, Sig Eps set a real record in Student Government, in that the president and two vice presidents of HSC student body are Sig Eps.

Jim Harlow is this year's Student Government Association president and Ray Coston and Dick Jacobs were the two vice presidents. Again this fall semester, Sig Eps on HSC campus were involved in numerous organizations, in many of which they held executive offices. Among these were Heart and Key ser-

vice organization, Student Government Association, Student Activities Board, Student Appropriations Board.

Sig Eps here at Beta have made quite a few improvements to the house and would like to have some brothers to stop by for a visit. The brothers studied and nosed their way to a 2.8 G.P.A. for spring semester 1972. Also this year, the men of Arkansas Beta decided to go to a smaller, tight knit pledge class of ten to begin the 1972-1973 pledge class. This year's staff of officers: Keenan Crowley, president; David Garrison, vice president; Darryl Mathis, controller; Drew Alexander, recorder; and Dick Jacobs, secretary.

—Dick Jacobs

Illinois

Illinois Alpha is participating in one of the largest and most successful co-op programs in the world. A charter member of what is now a 40-fraternity and sorority member organization we have found that this mass buying effort is obtaining such articles as food, clothing, and janitorial supplies at prices unequalled anywhere else on campus.

The co-op is owned by fraternity and sorority stockholders who are represented at monthly board meetings. Management of all bookkeeping and the co-op store is handled by the Consolidated Consumer Corporation of Chicago.

Indiana

At Indiana the Sig Eps have a full house with 73 brothers and seven pledges living in. After a successful rush program, the Sig Eps at Indiana have 29 new pledges, one of the largest classes on campus. The Sig Eps began the year by winning the all-campus championship homecoming award for the third year in a row.

This semester's scholarship banquet was a great success, as many professors joined the brothers in honoring those members having high grades with scholarships created by the chapter scholarship fund. President Jeffrey Kramer was named to Phi Beta Kappa this year. Nineteen brothers were selected to the Indiana University Student Foundation this year, more than any house on campus.

Kim Pemberton, Steve Ahfeld and John Hunter are on the varsity basketball team.

Our officers are: president, Jeff Kramer; vice president, Bill Watson; comptroller, Mike Degen; recording secretary, Dave Snodgrass; corresponding secretary, Kim Clark; chaplain, Dave Eggert; mess. Eileen Zerke is House Mother.

—Kim C. Clark

Indiana Tech

The brothers of Indiana Eta have had a busy year so far. Our service project for this quarter was the transplanting of two 20-foot spruce trees onto our campus. Over 80 man-hours of work were incorporated in completing this project.

Indiana Eta has added a persuasive committee to its organization, a wives and sweethearts club. Their first money making project, a chili dinner, proved to be successful.

To cap off the chapter's winning season, we seized the intramural football title. Our strong showing in the fall sports makes us a chief contender for this year's all sports trophy.

Four brothers were on the varsity soccer team. Senior Scott A. Ernst was selected to play in the east-west all star game at Marion, Indiana.

Indiana Eta's band known as "Strawberry Hill" has already been booked for

(cont. page 7)

many dates this year. The big engagement for them is the Sigma Phi Epsilon Riverboat Party on May 5th. See you there!

Kansas

SERVICE: 1. Noun Help, aid, assistance, domestic service, community involvement.

Kansas Gamma was involved with **SERVICE** in the last two months. It was hard but it was fun. It all started with collecting money for the United Fund in an area of Lawrence that had been missed. We then painted Centennial Park in Lawrence for our Homecoming project, and built our Homecoming display which won second place. Tired? Heck no! The next week we participated in the local Blood Drive by pledging 22 pints and held a raffle to raise money for the Kansas Medical Center's Burn Center. On Election Day, through an Interfraternity project, our house helped drive the elderly and other homebound people to the polls so they could vote. This is Kansas Gamma's idea of **SERVICE**.

On November 11, we initiated 16 men. Brother Spake has been newly elected as secretary of Kansas' Interfraternity Council.

—Tom Busch

Kent State

Ohio Lambda's study lounge has finally become the center attraction once again for brothers and sisters. Serving as a recreation room, entertainment center, and place of study, the lounge, destroyed by fire last year, has been rebuilt by the dedicated work of our controller, Ken Serger. The new lounge will also serve as a social room for entertaining other Kent State fraternities and sororities.

Full quarter also started on the right path with the initiation of 10 pledges, largest pledge class in two years and a much needed achievement. The new blood will give the chapter a shot in the arm, working and assisting brothers on committees and rush programs. One of Ohio Lambda's strongest organizations on the Kent State campus is the Little Sister organization. The group has 15 active sisters and the brothers and sisters initiated 25 pledge sisters, making it one of Kent's best known and strongest groups.

Considerations by Alumni Board for adopting a loan fund for qualifying undergrads is now in its final stage. If approved by the Board, Sig Eps will be able to borrow from their chapter and return the loan with small interest after graduation.

Mrs. Mae Rhoads, acting housemother and cook, started her 20th year with the brothers this fall and will call it quits this spring. Her name alone makes alumni functions successful and draws brothers to many events. In honor of Mae Rhoads, a recognition day and banquet will be bestowed upon her during spring quarter for her 20 years of devoted service.

Kentucky

The brothers of Kentucky Alpha came back to school from summer vacation to welcome our new housemother, Mrs. Louise Matheny, and to a brand new entrance foyer and remodeled library. Work was done on the library and front hallway during the week preceding fall semester's first week of formal rush. The chapter focused on what was a most successful rush, with 26 freshmen and sophomores pledging Sigma Phi Epsilon, second largest member among Kentucky's 22 national fraternities. Bob Manuel, senior, captured the Outstanding Rush Award. Later, the pledges traveled to Ohio Eta, at Miami of Ohio, with

Pledge Trainers Grossett and Manuel for their walkout.

We concluded Golden Heart rush by pledging 25 girls, bringing the number of little sisters of the chapter to 43. Brother Buzz Akridge did an excellent job with homecoming this year as we celebrated the 50th Anniversary of our founding here at UK, the original chapter being Sigma Beta Xi from 1922-1933. A buffet lunch and cocktail party saw more than 300 alumni and guests celebrate homecoming, as Jerry Legere was awarded the Outstanding Alumni Award, and our candidate for Homecoming Queen, Deborah Kent, was named one of the five finalists out of 43 girls initially in the running.

New officers for the coming year are: Rick Keiper, president; Bob Manuel, vice president; Tom Colbert, controller; Richard Lynch, corresponding secretary; and Bob Samers, recording secretary.

With winter upon us, the brothers of Kentucky Alpha challenged Kentucky Zeta, Morehead State University, to one last fling at the football, with Alpha coming out on top 28-0. The Golden Hearts of Alpha also defeated their opponents, Kentucky little sisters, in powder puff football.

—Bob Manuel

Lawrence Tech

Michigan Theta is doing well after just passing its first Chapter birthday with great membership increase and only a few graduating men this year. Rush has gone well.

Founders day produced quite a little excitement on campus when we flew our flag on the campus flag pole. The president of the college mistook it for a Viet Cong flag and ordered it removed. Jim Kolanek, president of the Student Government and a Sig Ep, led the protest to the administration and the result was our flag waving proudly for the rest of the day.

Plans are under way for a ski trip over New Year's to Caberlar near Cadillac, Michigan and if the hayride we have on the calendar is anywhere near as much fun as last year's, it will be great.

We have been invited to assist U of O in initiating the new men at Michigan Alpha in early December and look forward to this activity with other chapters.

Marquette

The brothers of Wisconsin Zeta are finding just how much a house can add to a chapter. Our house was built in the late 1890's and has many interesting features including old fashioned woodwork and fireplace. It can hold only nine brothers but the possibility for expansion is great. So far we have revamped the electricity and plumbing as well as doing a great deal of work to most of the rooms.

Our fall pledge class added 12 new brothers which increases our membership to 55.

The chapter is starting a Golden Heart chapter here. Plans are also being made by Greg Campbell for our father-son weekend Feb. 10 or 17.

We mourn the death of one of our most loved brothers, Steve Gallagher, who was killed in an auto accident after graduating last Spring. This Spring The Director's Trophy of Varsity Varieties will bear Steve's name. Varsity Varieties is the largest student-run stage show in the United States. Sig Eps put on one of the top shows every year. Last year we received first place for having the best show, of which Steve was director. He was also one of our chapter's charter members four years ago.

In the Fraternity Golf League, Marquette's roughest intramural football league, we finished a disappointing sec-

ond to Evan's Scholars. However, we lost only two games. Mitch Kilanowski acted as coach with alumnus Mel Watenbach helping out. Ben Shaughnessy is serving as athletic director.

We are very happy to say that our girls powder-puff teams coached by Jose Velaz and Tony Marcandine finished their second season in a row without a defeat.

—Tim McIntosh

Miami (Ohio)

An addition was made to the kitchen of the chapter house which doubled the size of the existing space. A large industrial-type refrigeration and warming oven unit was purchased for the new room.

New carpeting and paint were added to the entrance and living room of the house over Christmas break.

Golden Heart rush, under the direction of Bill Selong, began the first week of October and membership totals 55.

Nearly 30 alumni, their wives and families, returned to Miami for the annual homecoming Sept. 30. A football game between Miami and Xavier, a buffet dinner, talk, and a small party took up the better part of the day.

THE ETA NEWS, Ohio Eta's new alumni newsletter, began its quarterly publication fall quarter. Bruce Ryan ('61) is doing the printing through his facilities in Newark, Ohio. Jim Waldsmith is the editor of the paper and Rick Wolf is the alumni relations chairman.

Present manpower is 74 brothers.

—R. W.

Michigan

Slowly but surely the Michigan Alpha chapter is beginning to resemble a Sig Ep chapter again.

A group of Little Sisters has been formed, and every Sunday night there is an all-house meal followed by meetings, rush, guest speakers and other small group activities.

The alumni party after the homecoming game drew between two and three thousand people and gave many a chance to see the recent \$60,000 remodeling.

Tom Dart, Matt Finstrom and John Wasmers are the new officers, all of whom are only associate members. Lawrence Tech and the University of Detroit chapters will help with initiation soon because there are only three members in the house at present.

Michigan Tech

The brothers of Michigan Eta took first place overall during this year's Homecoming festivities. The overall victory consisted of first place in the Hobo Car and Hobo Luncheon competitions and a second in skis. Earlier this year the brothers chalked up first places in Summer Softball and Intramural Golf.

Colorado School of Mines

The Colorado Delta Chapter got off to a very successful start this semester. We are especially proud of Dennis Kestens, Rich Rein, and Rich LiConti who were given Sigma Phi Epsilon Educational Awards.

The house has gotten off to an extremely quick lead in intramurals by placing second in football, fourth in cross-country, and first in wrestling. We also captured first in the Homecoming Float competition for the third consecutive year.

This semester's pledge class has also started off quickly and has become very active in house activities as well as in some of their own. They have had two money projects—an all-campus Spaghetti Dinner and a slave sale, which have netted enough to finance their future plans.

The brothers are also looking into charity projects for early January and

everyone is looking forward to a 50th Anniversary Celebration April 21, 1973. The house is also very excited about the upcoming National Conclave in Denver.

—Bruce Jones

Mississippi

Mississippi Alpha Chapter now has a chapter membership of 31, following this year's formal rush. Chapter officers for 1972-73 are: Kenneth B. Rector, president; Jim Martin, vice president; Bob Boyd, secretary; Doug White, controller; Joe Marsh, chaplain; and John Sill, recorder.

Pledge officers are Andy Geoghegan, president; Benny Carter, vice president; Tom West, secretary; and Ryan Hood, chaplain.

As part of this year's "Brotherhood Weekend," Mississippi Alpha will include the aspects of Brotherhood, Sports, Activities and Community Service into the program. Brothers and pledges will conduct a drive to collect money for the Mental Health Center in Oxford.

The full program for Brotherhood Weekend, which will commence Dec. 1, will consist of a serious Fraternal session, the annual Pledge-Active football game, the Mental Health project and a "Fifties" dance and party to end the weekend.

—Jim Bond

Morris Harvey College

The brothers of West Virginia Zeta are still going strong. Most of the brothers have been very busy with many projects in the community. Brothers Duerring, Farmer and Moore have been working with retarded children every Sunday morning since the beginning of the fall semester. For a few weekends a few of the brothers worked with the Faith Work Shop of Charleston.

This coming month we are going to put on a roller skating party and dance for 36 children of the Brookside Orphanage. This event plus our Christmas dance will be our high points of this semester.

Two Sig Eps, Brothers Rayman and Wood, made it to the finals of the school's ping-pong tournament. Brother Rayman was the winner with Brother Wood the runner-up. We would like to congratulate Brother Jim Douglas who received a \$350 scholarship award from National. Brother Douglas also made Who's Who in American Universities and Colleges. This fall we initiated seven Golden Hearts. Fall went slow but we feel that we will have a good spring pledge class coming up. For the first time all the brothers who live on campus live in the same section known as the third floor north Cox. It is truly a halfway of Brotherhood, Sig Ep Brotherhood.

—Michael A. Mallon

Northern Illinois

Illinois Epsilon just completed initiating six new brothers and nine new Sisters of the Golden Heart.

Our 13-man pledge class just completed their walkout to Carroll College and are beginning work on their pledge projects.

Senior Carlo Armenise was chosen this semester's winner of the Anne Larsen Memorial Award for his contributions to the fraternity during his membership. We had a great time with Alpha Phi in homecoming with our float being chosen as second best in the parade.

Academically we rose to sixth place in total fraternity grade point out of 19 fraternities on campus. We're beginning to make preparations for our third annual Christmas party and to elect new officers in the next couple of weeks.

Nebraska

It was a very rewarding fall for Nebraska Alpha at the University of Nebraska (next page)

braska Our president, Roger D. Moore, was one of 13 Sig Eps nationally awarded a \$350 Sigma Phi Epsilon Scholarship.

Our intramural football teams were very successful in that all three teams made it into the All-University play-offs. The biggest surprise was the "C" team, which was comprised of pledges and a few sophomores. They made it into the semifinals for the All-University trophy before losing to Phi Delta Phi, the law fraternity.

Another very rewarding enterprise was the selection of new Golden Hearts. An original list of 50 girls was trimmed down to the final 15 girls through a series of activities. These activities included a pumpkin-carving party and a formal dinner with the prospective Little Sisters. The new Golden Hearts were informed of their selection when the Golden Hearts chairman, Tim Bangert, a few brothers, and also some active Golden Hearts went from house to house and presented a rose to each of the new Little Sisters during their evening meal.

North Carolina

The North Carolina Delta Sig Eps have had a quite successful first semester. The brotherhood is composed of 51 brothers and 13 pledges. The Sig Eps again did the work for the UNC Card Section at all the football games and for the second consecutive year the Sig Eps float won the Best Overall and the Best Greek awards in the annual Beat Duke Parade.

Over 80 alumni attended the alumni celebration on the Homecoming football weekend. This was a very successful and important turnout since the N.C. Sig Eps are trying to purchase a new lot on which to rebuild in the near future.

Steve Swan, controller, has won one of the Sigma Phi Epsilon Educational Foundation Scholarships. In intramurals, N.C. Sig Eps have made it to the semifinals in football, horseshoe, and volleyball. Our basketball team finished 5th out of 128 in an all-campus tournament. From this start, it looks like it should be another successful year in intramurals. Steve Pantadoss is captain of the Fencing team. Sid Aldridge is All-Academic ACC in Golf and he finished 2nd in an All-South tournament this fall. Ted Plyler is head photographer for the UNC annual, the YACKETY-YACK.

North Carolina State

This past year our house had the honor of winning the over-all athletic trophy for the fourth straight year.

We showed strength in every sport by finishing no lower than sixth in all sports among 17 other fraternities.

Improvements in the house include the complete painting of the upstairs and the addition of phones in every room.

This semester an experimental class is being held in the house. It is called the "cluster class" and is a university-recognized Political Science course. At present all the students are brothers except two. If the course is a success, it will be open to more students and may include other curriculums.

—Steve Katkavack

Northrop Tech

Sigma Phi Epsilon Colony of Northrop Institute of Technology became California Kappa on December 2, 1972. The momentous occasion took place in the Blue Banquet Room of the International Hotel, Los Angeles.

National Director Jack Wheeler presented the charter to the new chapter president, Anthony Squeo. District Governor Dave Morse was also among the many honored guests who attended the installation. The transition to chapter status culminated two long years of hard work in preparation for it. This type of

enthusiasm will also characterize the new Cal Kappa.

—Craig Arterburn

Ohio State

First on the chapter's agenda this Fall was "work week," a time set aside the week or two before the start of school to restore the house to its pre-summer condition. There was much work to be done, but everyone pitched in and the house was soon returned to its normal state.

Early in the quarter, the Sig Eps along with Kappa Alpha Theta, sponsored a Halloween party for underprivileged children in the Columbus area.

Several weeks later, Ohio Gamma sponsored an alumni weekend which had a record turnout. We had a party Friday night in the basement of the house and a brunch Saturday morning. That night, a dinner was held at a country club in honor of the alumni. They enjoyed all the activities and many reminisced about the "good ole" days.

Concurrent with the alumni events was homecoming, which occurred on the weekend that the Ohio State football team played Wisconsin. The Sig Eps, along with Pi Beta Phi, built a float entitled, "One-Eyed, One-Horned, Flying Golden Gopher Easter," (picture included) which turned out quite well and attracted much attention. Much of the credit of the float's success goes to Bob Lafelice, social chairman, without whose leadership and hard work the float could never have been made. That night Yves performed in concert, and all in all the weekend was very successful.

An important event planned in the future is a Christmas party at the State Mental Hospital for the residents there.

Ohio University

The brothers of Ohio Xi started off the academic year a week early with everyone returning before classes started to make repairs on the house. With the physical repairs on the house completed the brothers concentrated on rush. The results were the best Fall Quarter rush in five years with six new pledges.

Later in the quarter the Sig Eps elected new officers. They are: Rocco Cocchiare, president, Doug Freeman, vice president, Ronald Beruta, secretary, and Scott McGee, recorder.

Ohio Xi and their L'il Sis's also participated in a Keg Roll from Logan, Ohio to Capital U (50 miles), with the proceeds going to various charities. The Sig Eps L'il Sis's are proud to report 10 new pledges.

The awards for the academic year that ended in June, 1972 were announced. They are:

Larry Connor, Senior of the Year; Richard Majors, Athlete; Rocco Cocchiare, Greatest Contribution; Ronald Ramsey, Committee Chairman; Ben Van Wye, Thomas E. Dodrill, Scholarship Award; and Kathy Pamonte, Queen of Hearts.

Special Achievements—John Taylor made the varsity hockey team. Former president Joe Focke now has his own television show from a Parkersburg, W. Va. station. Ken Smith was appointed social chairman. Paul Richards has a role in the Ohio University production of "One Flew Over the Cuckoo." Dick Majors and Ron Ramsey were named Co-controllers.

Chapter membership is 24 actives, six pledges, 20 Little Sisters.

—Ron Beruta

Oklahoma State

Oklahoma State Sig Eps are looking for a tenth All-Sports title as they finished first in handball, first in tennis and second in ping pong. The All-Sports Award has been given since 1950 and since then Sig Ep has won the title nine times, which is an accomplishment unequalled by any other chapter on campus.

Gary Bridwell, Perry senior, was chosen as Oklahoma State mascot, Pistol Pete. It is an honor and privilege to be selected and we are happy that a Sig Ep is representing OSU in this traditional position.

Dee Renshaw, Oklahoma City junior, was tapped for Blue Key. He is also vice-president of IFC on campus.

Newly elected officers for Sig Ep Charles Riddle, president, Skip Stowe, vice president; Rick Wood, recording secretary, and Gordon Small, corresponding secretary.

New initiates include: Mike Potter, Bob Dawson, Mike Howl, Gordon Small, and Rick Wood.

Oklahoma State Sig Eps are looking forward to an active participation in Varsity Revue and fraternity activities for the 1973 school year.

Pennsylvania State

Penn Eta is coming back! The brothers, through hard work and with the help of our Alumni, have kept the house open. Pledges master Bob Weis introduces our fall pledge class of Doug Lincoln, Tom Jennings, Tom Myers, Jim Belon, John Fridley, Phil Turner, Tom Brown, and Jim Erwin.

Our officers are: Sherwood K. Smith, president; Pete D. Nowinger, vice president; William I. Robbins, treasurer.

With the involvement of these pledges and continued efforts of alumni and brothers, Penn Eta will continue to grow.

Rensselaer

We are second among the twenty-five fraternities in the running for the Barker trophy which symbolizes the top athletic house. Thus far we have finished in the top two in our league in both softball and soccer. In football, we had established ourselves as one of the top teams until the school forced the postponement of football due to a rash of injuries that occurred. We look forward to successful volleyball, basketball, track, table tennis, tennis and handball teams that should keep us in the running all year for the Barker trophy.

As far as brothers who are playing varsity sports, New York Delta has some of the top athletes on campus. Ray Tate, a senior, has been recognized for the last two years as the school's fastest human, thereby warranting his title of Mr. Quick on campus. He is setting his sights on breaking the school record in the 100 and 220-yard dashes.

Jeff Webb, a sophomore, was a starting fullback on the varsity soccer team until a thigh injury forced him to the sidelines for the remainder of the year.

Wayne Mizerak, a senior, after a year's absence, has returned to compete for the wrestling team. As a sophomore, Wayne was recognized as the best wrestler on the team. This year he will be wrestling in the 150-pound weight class.

Bob Fisher, a senior, played full lacrosse. He helped the team to an undefeated season and is looking forward to playing spring lacrosse with the varsity.

Tom Carrier, now a graduate student, was awarded the Clifford B. Scott award for the 1970-1971 year. His G.P.A. was a 3.63 out of a possible 4.0.

Brent Keller was awarded the Clifford B. Scott Key for the 1971-1972 year. Brent, a senior, compiled a G.P.A. of 3.81 out of a possible 4.0.

Robert Fisher, a senior, was awarded the Dubach award for the greatest improvement in scholastic achievement for the 1971-1972 year.

Brent Keller and Kevin McCabe, both seniors, were honored with their selection to Who's Who Among Greek Fraternities and Sororities of America.

Glen Gerhardt, alumni relations chairman, sent a newsletter to over 400 alumni of New York Delta informing them of chapter activities and inviting them to submit blurbs on themselves, so that we can distribute them to other interested alumni. Also in the newsletter was an invitation for the alumni to attend our alumni weekend, February 16-17, which is in conjunction with the school's Saturnalia weekend. A good time is expected.

Richmond, Va. 23215

This year we placed fifth among the 25 fraternities in the number of preference cards that we received from freshmen. A lot of this has to do with the efforts of Denny Mills, the rush chairman.

Around 20 pledges are expected. The current House officers are: president, Kevin McCabe; vice president, Bill Leblanc; secretary, Brent Keller; and recorder, Ray Tate. —Brent W. Keller

University of Richmond

Virginia Alpha started rush August 30 this year due to the University of Richmond's decision to switch to the early semester system this year. Rusher turnout was poor, due, many feel, to the early rush which started before either the fraternities or the new students had had a chance to settle down and make plans. Alpha Chapter inducted seven new pledges.

SPE remained an athletic power on campus, capturing the intramural football championship for the second year in a row. Those named to the all-star team were Danny Anderson and Tom Weatherford on defense and Bill Hotchkiss and Stan Pope on offense. Bob Cutler, Chet Hart, and Mercer Joyner also garnered a first place in archery, and the soccer team is now going into the playoffs.

Three seniors at the University of Richmond have recently been awarded \$350 scholarships by the Sigma Phi Epsilon Educational Foundation. They are Daniel M. Anderson, Thomas Strup and Thomas A. Weatherford. These men qualified on the basis of scholarship, leadership in fraternity and college and community activities, and need.

Missouri—Rolla

Missouri Gamma at the University of Missouri at Rolla celebrated its 25th anniversary on Homecoming, October 21-22. On Saturday the annual pledge-activity football game was held. Dances were held both nights with a live band. At the 25th Anniversary banquet the featured guest was local founder Bob Ray. Mr. Ray spoke of the chapter's first days here as UMR Brother LeRoy Thompson was honored as the chapter's most outstanding alumnus in its first 25 years.

Sam Houston State

Texas Eta is off to a good start and began the year with a 25-man pledge class, the largest on campus.

In other activities the chapter won the IFC trophy for the fourth consecutive year, placed second in football and won "Most Beautiful Float" during Homecoming.

Member Hank Stallings was elected cheerleader and Freddy Borrego head cheerleader for 1972-73. Pat Horn, chapter president, was elected to Who's Who on American University and College Campuses.

The annual "Red Garter Dance" was a great success! —Freddy Borrego

San Jose State

San Jose State brothers in need of funds for a pool table put their minds to work and came up with what is believed to be a fresh idea in fund raising. The brothers contacted a dancer through an ad in the school paper and arranged for Brandy to perform at the house for a function open to the student body. A donation was charged and refreshment served for a minimal price so that those attending might enjoy the show performed by Brandy, which netted \$150.

—Al Sharff

South Carolina

South Carolina is in first place for the All-Sports trophy again this year. First place sports were awarded in ping pong, tennis, volleyball and bowling.

The Sig Eps received the Alpha Tau Omega HELP TROPHY for the most service given to the school and community. Recent service projects include the collection of \$297 for the Babcock Center for Retarded. The Sig Eps also participated in the Cancer Bike-a-Thon with brother Schaerer peddling 100 miles for the most mileage and a collection of \$306.

Before the Carolina homecoming the Sig Eps entered a skit in Cockfest and won first place prize of \$300.

Southeast Missouri State

The Missouri Zeta Chapter of Sigma Phi Epsilon is off to an excellent start as we begin the 1972-73 academic year.

Our athletic teams are near the top in every sport. Our football team was the only team to beat the eventual all-school champs. We are currently in quest of the coveted All-Sports trophy. Six of our brothers, John Hessel, John Gabrisch, Roger Minton, Steve Derringer, Dennis Schoenfeld, and David Goucher are starters on the university football team. Missouri Zeta follows the football team very closely and should be a shoo-in for the Spirit Award for the second straight year.

There are 13 new initiates who became

activities in September and we now have 16 pledges going through the pledge program.

We teamed with our sister sorority on campus, Alpha Chi Omega, to bring home a second place trophy in the Homecoming foot contest. Dad's Day followed with a banquet at the Last Chance and a football game. On Founder's Day the Sig Eps dined with several instructors and Deans of the college who are Sig Eps alumni. We recently made a trip to see our brothers at Missouri Gamma Chapter in Rolla, Mo.

Brothers John Clark and Richard Bliggenstorf are in (Who's Who in American Colleges and Universities). Bliggenstorf is also president of IFC on campus. Other brothers are members of Student Senate and other campus organizations. All in all this proves to be another successful Fall semester.

Southwest Missouri State

Missouri Eta Sig Eps have made a big improvement in the house with the remodeling of the trophy room study.

Intramural sports continue to go well for the Eps. We have captured first place in the All-School Football Championship. The free-throw team easily won first place. The chapter thanks the

Sig Eps who played a tough variety football season and special thanks to senior Bill Davis for four outstanding years as a variety player.

Congratulations to Rob Reyer and Steve Moore whose creative design and hard work helped the Sig Eps construct a winning Homecoming float. John Shelton, public relations chairman, helped the Sig Eps lead in collecting for the United Fund's Drive to Reach Small Businesses. Housemother Clara M. 'Mom' Cooper celebrated her 71st birthday at the house on November 20. The Sisters of the Golden Heart had a delicious spaghetti dinner at the house for actives and pledges. The pledge class, led by Jim Panter, held the annual Sig Eps Casino Party.

Stetson

Florida Beta has 41 brothers and 20 associate members. Stetson Sig Eps are now second in the standings for the President's Cup, the trophy awarded at the end of the year for the best all-around sports teams.

Sig Eps won the cross country trophy finished third in football and fourth in table tennis. Sig Eps had the best grading

Chapter News

report of all the fraternities, with only six brothers and no pledges on the "D" list. Brother Dan Frank, is ROTC commander and Craig Darden, president, is a Student Government senator.

St. Mary's

The pace setters at St. Mary's, Texas Theta Chapter, held a dance at the San Antonio Home Builders Association in conjunction with another Fraternity. A capacity crowd was in attendance for the first annual "Fall Sprawl."

The brothers in our chapter devoted a whole day to help collect money for Muscular Dystrophy. As with our work for Muscular Dystrophy in the past, this was rewarding for us and we hope we helped the community.

—Gregory Paganelli

Stevens Tech

Founder's Day activities November 3 were a great success. It started on Friday night with a banquet at the house. On Saturday there was an active-alumni football game, which the actives lost 25-18. Following the game, there was a buffet honoring Joe Czibotar, '72 as Alumnus of the Year. The affair was highlighted by the presence of our retired housemother, Mrs. Rettig.

In a close race New Jersey Alpha finished second in our division in IFC football. It was a three way tie for first and N.J. didn't fall until the final playoff game, 21-20.

After an unfortunate, initial defeat, N.J.'s volleyball team has put everything back together as it did in practice, and has proven itself to be extremely strong. Sig Ep still has a shot at first place.

Prospects do not look very good for squash, but our number one man, Jeff Wilson '73, should do well.

At the present time N.J. is third in the overall standings for the IFC All Sports trophy.

Stevens Tech manpower 26 brothers, 11 pledges. —Sam Robinson

Tennessee

Sig Eps this Fall took second place in fraternity football and second in volleyball. Last year Tennessee Alpha was third place overall in all-university standings in all sports.

In October the chapter held an afternoon party for 45 orphans from a Knoxville orphanage. The chapter is also foster parents for a little girl in Argentina and in her last letter she wished us all Merry Christmas.

Those who did not receive our alumni newsletter or who had incorrect addresses please notify our alumni chairman.

We appreciate those alumni who returned for home coming and we hope you will return again.

Founder's Day is May 29, 1973 and since this mark 60 years of Sig Ep history at UT pants are being made for a banquet for all alumni and their families, friends and undergraduates. The event will be Saturday of that week at the Hyatt Regency in Knoxville. So that we can plan a good function, please write us with any ideas you might have.

Tennessee Wesleyan

After winning Fraternity of the Year last year, it looks like the Sig Eps at Tennessee Delta are on their way to another successful year. Under the leadership of Dale King, rush chairman for 1972-73, we netted the largest pledge

class on campus. Along with the brothers, these 22 outstanding men increased the manpower of the fraternity to 50.

The fraternity participated in several service projects this fall, including United Food, Progress for People, Homecoming Weekend field day, and participation in the first annual TWC Carnival. We proved to be the most active organization in the two-day carnival, sponsoring three hoosts and a freak show.

Once again, the Sig Eps at Tennessee Delta have dominated the school offices this year. Jim Ziegler was elected president of the Student Government Association and Don Watson vice president. Other SGA representatives who also serve as class officers are: Ron Dalton, junior class; Mike Daley, sophomore class; and Nick Cocking, Freshman class. Also, Steve McCulley and Don Watson were elected to WHO's WHO IN AMERICAN COLLEGES.

Sports-wise, Sig Eps placed second in football and have four teams in competition for volleyball. In the annual pledge-active game the actives once again triumphed 14-0 over the pledges.

Texas

Texas Alpha again this year competed in the full-pad tackle football game held to raise money for Darrel Royal's Rehabilitation Workshop. Fraternities are asked to collect donations for the Workshop and the fraternity which raises the most money competes with another Texas fraternity in the game.

Sig Ep raised \$2,350 to make them the highest bidder for the game, which was December 12 in Memorial Stadium.

The Sig Ep's annual Red Garter party was Nov. 3 and the house was decorated in San Francisco style, complete with the Golden Gate Bridge. Parents were invited to a party and banquet the next night and at the banquet parents who had in some way supported the chapter during the past year were given appreciation awards.

Texas Alpha was recognized for its contributions to University, civic and charitable causes in a resolution passed by the Texas House during its latest session. A copy of the resolution was given to the chapter.

Two Sig Eps were chosen for membership in the Texas sport organization. David Cochett was chosen for the Texas Cowboys and Bradie Lewis was chosen for Silver Spurs. —Randy Nelson

Texas Tech

Sig Ep round-tables have captured the contest in the SIGMA NU tournament at Tech Associate member Jerry Bomar connected with a fifteen-foot shot with one minute left on the clock for the winning point which won the Sig Eps a heart-stopping 44-43 win over the DELTAS.

Three new Tech athletes have joined the fraternity Steve Owens, Jerry Bomar and Randy Lancaster of the Red Raiders. They are adding a lot to the athletic spirit of Sigma Phi Epsilon.

Several new little Sisters are to be congratulated on their initiation into Golden Hearts this term. Old member Pat Webb has been elected president of PHI MU Sorority, was a finalist in Miss Playmate and Miss Texas Tech competition. Pat Bland was a runner-up in last year's Playmate contest. Carolyn Allen was runner-up in the South Plains Maid of Cotton contest.

The new officers for next term are Dan Alfred, chaplain; Clark Crenshaw, secretary; Rick Young, recorder; Mike Everett, vice president; and John Reichmuth, president.

Alumnus Pepper Moore made the news at Reeve Air Force Base near Lubbock. As a student pilot in a T-28 jet, Pepper

safely brought his plane to the runway after the instructor pilot ejected from his seat. Pepper was believed to be dead after four large sandhill cranes penetrated the canopy, damaged the right engine and took off the top of the tail. Moore will receive commendation this month with the distinction of being the first student pilot to win the Air Medal. The pilot next in formation to Pepper who accompanied him to safety was discovered to be Bill Ashton, a Sig Ep from AUBURN. Pepper has been assigned to active duty in Thailand.

Kappa Kappa Gamma Sorority was on the scene for the Third annual Orphans Day Picnic at Mackenzie Park Between the Kappas and the orphans James Williams served well over 500 hot dogs. Frisbees and footballs provided an entertaining autumn afternoon for everyone.

Activities chairman Tommy Spencer has been introducing us to a new sorority nearly every Friday afternoon. All year Chestnuts and fireside conversation went together at a special mixer in the KAPPA ALPHA THETA lodge on Greek Circle. A reception for Sig Ep Dads was also a big activity at the Koko Palace after the Arizona game. Apple cider and a song from the Golden Hearts preceded a presentation of "Iota Brotherhood." The event concluded with a Dad's Day Dance. Several parents received a few dance steps most of us had not seen before.

Thiel College

The Penn Nu Sig Eps hosted their alumni at the recent Homecoming and gratefully accepted new lounge wall-to-wall carpeting from their Alumni Corporation.

John Gray, Herbie Nelson, and Greg McFarland were mainstays of the Tomcat soccer team, and Jack Sable was a member of the conference-championship football team. Winter sports participants include Tim Dambaugh—swimming, Dave Davies—wrestling, and Rick Fletcher—basketball.

Pete Monge and Ed McConnell are president and vice-president of the senior class respectively, and each was nominated to the 1973 volume of "Who's Who Among Students in American Universities and Colleges." Steve Smith is president of Thiel's Interfraternity Council, and house president Ray Warrick headed the list of seven Sig Eps to receive academic recognition at the recent Honors Convocation. Jo Spagnola received the MVP award for interfraternity football. —Rick Fletcher

Tri-State College

This fall finds the Sig Eps at Tri-State winning the human pyramid and wagon races as well as the most beautiful football trophy. Pat Stuenkel, the candidate the brothers nominated, was elected Fall Festival Queen for Tri-State College.

The brothers are working hard to regain first place in scholastics also. Our alumni advisor, Dr. Eric Ikenhoff, was nominated Tennis Coach of the year in the Mid-Central Conference.

Plans are nearly ready for the addition to the chapter house which is scheduled to start this spring. Rush has come up with a new fraternal independent program which looks as though it will produce quite a few pledges.

Valdosta State

Georgia Gamma began the fall party by electing a new president, Ron James.

In sports pledge Jimmy Leffles made the VSC baseball team while Ron James and Terry Bradley made the bowling team.

Fall rush turned out great for the Sig Eps. We pledged six new men. The

pledge class has had numerous activities from car washes to the annual Sallos Mahone Carnival in which the Sig Eps operated their Dunking Sam Booth.

The brotherhood's Ways and Means Committee has come up with many new ways for Georgia Gamma to earn money for activities throughout the year. Georgia Gamma is especially looking forward to the 1973 Grand Chapter meeting in Denver, Colorado.

—Ronald P. James

Valparaiso

This fall we took a pledge class of five to maintain our house as the largest on campus with seventy-six affiliate members. After scoring well in the fall sports the Valparaiso Sig Eps are very much in contention for the All-Sports Trophy again this year. —Donald E. Pell

Virginia Tech

Sig Eps won the All-University Intramural Championship for the 1971-72 school year, with an overwhelming and crushing defeat of ex-champion and arch-rival, Kappa Sigma. Of the 20 available singles, doubles, and co-rec doubles events, we won the All-University Championship in 10 of the events with a double in golf singles and doubles by Keith Reynolds with Jim Cunningham as his doubles partner. Jim also proved himself as best all-around intramural athlete on campus by blitzing everyone and receiving the All-University Individual Championship.

Sig Ep placed four other men in the top ten: John Lawson, Keith Reynolds, Rick Charter, and Phil Goetkin. As for the start of this year, SPE's are undefeated in football, and are first in bowling and frisbee, with Ron Eggleston winning the pentathlon.

In other activities Virginia Kappa won the annual "Ugly Njan on Campus" competition raising more than \$200 to send needy children to camp Easter Seal, for the second year in a row. To raise money for the chapter, "slave day" was instituted last Spring and was again successfully undertaken this fall raising more than \$200 for house improvements. November 3 and 4 was the date of our annual Alumni and Pledges week-end. Some of the events were the Tech football game, a steak dinner, a talent show, and a party. SPE's were second in grades out of 23 fraternities for spring quarter with an overall G.P.A. of 2.7.

Washburn

Chapter strength stands at 50 men with a 19-man pledge class.

Our pledge class has had a very busy semester and has taken on and accomplished two important projects, among others. The Chapter house benefited from the first project as the pledge class painted and did minor carpentry work. They also passed out circulars and raised their treasury to \$175.

On the sports scene, Sig Eps took second in intramural football.

Socially, Sig Eps at Washburn are again very active with a full calendar of parties. A Homecoming party for Alumni and parents was a great success and on Nov. 3-4 we concluded the annual "Blue Mountain Blast" party in fine fashion.

Our Golden Hearts chapter has grown to 30 women.

Many of our goals for the year are aimed in the area of Alumni Relations. We are working at the present time for an addition to the Chapter house and have received much aid from interested Alumni. For the Alumni who are living in distant areas, we've just issued a newsletter filling them in on local happenings. We are also considering a state-wide Sig

Personal Property Insurance for Students
Personal property insurance for stu-
dents and others living in university
approved housing is being offered by
National Student Services, Inc. (215
West Fifth, Stillwater, Oklahoma 74074).
The coverage is a fire-theft-storm policy
written by Resolute Insurance Company
of Rhode Island, not an attachment to
an existing homeowners policy. The pol-
icy requires no proof of forced entry for
payment of claims. Although in business
only two years, the company has written
50,000 policies on over 400 campuses.

Fritz G. Knorr, Kansas State '32, 65,
veteran wrestling coach and assistant
athletic director at Kansas State Uni-
versity, died Sept. 30 of an apparent heart
attack while visiting relatives in Savan-
nah, Mo.
Knorr was past faculty adviser of
Kansas Beta Chapter of Sigma Phi Ep-
silon, and at the time of his death was
alumni board president.
A 1932 graduate of K-State where he
earned a B.S. in physical education,
Knorr joined the K-State staff in 1942
as an instructor. He was head basketball
coach for two seasons, served as an
assistant football coach from 1944-1945,
as baseball coach in the 1949 and 1950
seasons, and had been wrestling coach
since 1953.
Knorr was a member of the NCAA
wrestling rules committee from 1956-
1962 and was its chairman in 1960. He
was past president of both the American
Wrestling Coaches Association and the
Kansas State Health and Physical Edu-
cation Association. Also he was a char-
ter member of the College Athletic Busi-
ness Managers Association.
A memorial scholarship fund for the
Kansas State University Wrestlers has
been established in his name.

... Founder Dies

(*cont. from page 1*)

He served as Pastor of Baptist churches
in Kentucky, Virginia, South Carolina,
and Florida. After more than 26 years
as active pastor of the First Baptist
Church of Gainesville, Florida, he re-
tired on January 1, 1949; since that date,
he had been "Pastor Emeritus" of this
church. He served on many church re-
lated boards and committees and wrote
many religious articles. He was also a
Master Mason, a Royal Arch Mason,
and a Knights Templar.
He married Waldine Beard Scarce of
Georgetown, Kentucky, July 29, 1908,
they had been married for 56 years at the
time of Mrs. McCall's death April 26,
1964. Their one child, Thomas Vaden
McCall, Jr., is a lawyer in Miami,
Florida.

"Life's final star is brotherhood."
Notice
The Journal would appreciate receiv-
ing prints of photos taken at the 1971
Atlanta Conclave of Brother Thomas
McCall, our last founder, who died in
November, 1972.
Pictures of Dr. McCall will be put in
an album and presented to National
Headquarters in Richmond. In addition,
if any brothers have any other items con-
cerning Dr. McCall that might be of
interest to the fraternity, which they
would be willing to give or place on loan,
please send them along also.
Pictures should be sent to:
David M. Hendon, Jr., 2627 N.W.
3rd Avenue, Gainesville, Fla. 32601.

... Texas Lambda

(*cont. from page 1*)

its outstanding intramural teams and rush
program. In the past members of the
fraternity have been president of the
Student Senate more times than any
other organization on campus. In the
1971-72 school year the fraternity won
the All-Intramural championship as Sig
Eps for the first of many times to come.
Installation ceremonies were kicked
off with a reception for school officials,
initiating teams, fraternity officials, par-
ents of initiates and Sig Eps from other
chapters. Initiation ceremonies were con-
ducted by teams from North Texas
State University, Sam Houston State
University, and The University of
Texas at Arlington.
The installation banquet and party
was held at the Cedars of Lebanon with
Administrative Assistant Eddie Fowler
as guest speaker and Glynn Roberts,
president of Texas Lambda, as master of
ceremonies. The speaker's list included
comments by Jack Wheeler, National
Board of Directors representative, Dave
Schmurrenberger, staff representative,
L. A. Barnes, chapter counselor.
Wheeler gave the keynote address in
which he commended the Sig Eps
in becoming part of the junior college
experiment. Barnes followed with a his-
tory of the fraternity.
Schmurrenberger capped the festivities
with the installation of officers. The
chapter officers installed were: Bill
Nobles, president; Jim Smith, vice presi-
dent; Gary McWilliams, controller; Scott
Reeves, secretary; and Steve Morby, re-
corder.
The charter and flag were presented by
Wheeler to Fowler, who then presented
them to outgoing President Roberts as
representative of the chapter.
The original Tyler Junior College was
established in 1926 as a part of the Tyler
Public School System. It operated under
this plan with a small enrolment until
September 1, 1946.
On November 13, 1945, the voters
established a new, independent Tyler
Junior College District, authorized a tax
levy for the support of the college, and
authorized a bond issue for the erection
of a new college plan on its own campus,
separating it from the public school
system.
Tyler Junior College is best known for
the Apache Delles drill team which
travels to all parts of the country each
year to perform for various dignitaries
and events.
A student owned and operated phar-
macy—we believe to be the first—opened
this fall at the University of Wisconsin
in Madison.

RICHARD D. KNOX, JR.

Chapter News

(cont. from page 10)

Ep retreat. We have contacted all the Kansas chapters and are waiting on their responses before further work can be done.

On campus, Sigma Phi Epsilon is carrying on its tradition of involvement. Pledges Bob Bivens, Dave Fenley, John Hodefield, Larry Muffleton (smallest man on the team), and Gary Yager are members of the Washburn University football team. Brothers Mark Dietz, Tom Marten, and Jim Rankin were honored by being named to *Who's Who in American Colleges*. Tim Roberts is the President of the Student Union Association. J. B. Craig has been accepted to the Student Goals committee and next year Washburn is sending him to Holland for a year to study. —James R. Gaston

Washington

The Washington Beta year has started out well with the addition of 21 new little sisters. Their president, Debbie Burris, has proved to be an inspiration to the brothers and has helped significantly to improve our relationship with the sororities on campus.

Our annual alumni banquet was one of the most successful in recent times. House elections were moved up to Nov. 30 and the new officers will be installed before winter breaks so that they may have an opportunity to work together during the lapse. Fifty brothers returned this year and with the addition of 20 pledges, we at Washington Beta are hoping for a better year.

Washington State

Plans for a Golden Hearts program will materialize in December in conjunction with the annual Queen of Hearts contest. Washington Alpha won the chariot race in homecoming competition again this year. They have dominated the race in recent years. The flag football team advanced to the semifinal round before losing to the eventual champions. Freshman Ron Curry won the intramural wrestling championship in the 134-pound class. Sig Eps also defeated all other groups on campus in the annual Turkey Trot. They've taken home the turkey five times in the last six years.

Wisconsin State

A "Take Five" program has been initiated here by Brother Larry Kimball. The idea of the program is to take five junior high students to see a university football game at WSU. Twenty of the brothers took part and each took five students to a picnic before the game.

Brother Keith Pharr, an electrical engineering senior, was named to the senior men's Honor Five. This group is selected every year and requires a high GPA plus organizational involvement on campus. Keith has been very active in the house while also holding many Missouri Valley Conference track records.

Two brothers received scholarships this semester. Steve Erickson received one from national Sig Epsilon and Tom Denesia one from the Walter H. Beech fund provided by Beech Aircraft Co.

—Tom Denesia

Wisconsin State—Oshkosh

Brothers of Wisconsin Epsilon took children from the Headstart Program to Homecoming festivities this year.

Officers are now being elected in November to serve an apprenticeship period until they take over in January.

Alumni in the News

(cont. from page 3)

Alfred H. Warner, Oregon, has been appointed manager of the General Motors Training Center, St. Louis.

Dr. James P. Wasm, Washington (St. Louis), has been named vice president and registered principal of the Roosevelt Equity Corporation, a subsidiary company of Roosevelt National Investment Co. of Springfield, Ill.

Dan W. Wertz, U. of Detroit, is a CPA and corporate audit manager for Bell & Howell Co. of Chicago.

Francis W. Winters, Texas (Austin), is president of the Texas Telephone and Telegraph Co., and has been elected president of the Independent Telephone Pioneer Association for 1972-73. This is a national association of employees of independent telephone companies having 15 or more years service.

Dr. Edward A. Wright, Iowa, is a professor on the faculty of California State Univ.-Long Beach. He has his fourth book, *Understanding Today's Theater*, published last year. This book and *Primer for Playgoers* are used by more than 250 colleges as a text.

Dr. K. Ramsay O'Neal, Mississippi State, is a physician in Hattiesburg, Miss. and heads a clinic there. He was awarded a distinguished alumni service award in Oct. 1972 from Mississippi State U. Alumni Assn.

Golden Council Awards Given

Golden Council Awards

Members of California Alpha Chapter who have been members for 50 years or more, were invited to a luncheon, Friday, October 20 at His Lordships restaurant in Berkeley. In spite of the fact that the time coincided with the baseball game in Oakland between the Oakland A's and the Cincinnati Reds, there were 17 men at lunch and several others came to meet them but left for previous engagements.

Among those present was Roger Van Houser, the Staff representative for the Western States, who gave a report on the fraternity as it exists today.

The meeting was high-lighted with the presence of a charter member of California Alpha, Edwin A. Abel, a retired engineer, class of 1912, and two members of the class of 1914 who were initiated in 1910 when California Alpha was installed. They are Oscar Bailey, D.D.S., and his classmate C. Louis Thiele who has retired in St. Helena, Calif. but at one time was quite active in the Detroit Alumni Chapter.

Other present include James Corley, Vice President Emeritus of the University of California and Past Grand President who was responsible for the luncheon arrangements, Harold J. Powers, former Lt. Governor of the State of California; Reginald Biggs, retired merchant, William R. Dawson, retired Principal, Marysville High School; William Burrage Ludlow, George S. Reed, George V. Johnson, Glenn A. Gibbons, C. Norman Peterson, Gordon Huber, Robert S. Johnson, Wheeler J. McNaul.

Past Grand President Robert L. (Bob) Ryan attended from his home in Southern California, and delivered "Golden Council" cards to those attending.

John L. DeLaurenti, Illinois Alpha, University of Illinois Class of 1955, home in Pocatambo, Illinois, appointed by the Illinois Supreme Court as Circuit Judge, Third Judicial Circuit.

New Jersey Alumni Chapter

Those New Jersey and New York City brothers who would like to receive information concerning the New Jersey Alumni Association, please contact H. John Oudekirk, President, 676 Shadowlawn Drive, Westfield, New Jersey, 07090. Phone: 201 232-5109. Our next meeting will be held Thursday, January 18, 1973, to complete plans for chartering in April 1973. Grand President R. Eric Weise has accepted our invitation to preside over this meeting.

... Board Meeting

(cont. from page 1)

change in the responsibilities of the governor (to be regional managers rather than chapter visiting officers).

Additionally, the Board approved leasing of excess Headquarters space; considered legislation for proposal to the Grand Chapter and the consideration of the legislation at the regional academies; approved a new Founder's size badge, a badge (or charm or pendant) for the Golden Hearts (female auxiliary) and the use of gold clad badges.

The governing group also approved a hospital indemnity plan for members; authorized the sale of printing equipment no longer being used at headquarters; approved the 1972 fiscal year end audits and appointed the auditors for fiscal 1973.

Final agenda items also included a review of the undergraduate operations and the expansion program, as well as a review of plans for the Educational Foundation and support for the development program.

Sigma Phi Epsilon Board members are Dr. R. Eric Weise, grand president; Frank J. Ruck, Jr., grand treasurer; James E. Butler, Jr., Carl A. Carr, James W. Frazer, John W. Hartman, William A. MacDonough, Barry Z. Posner, W. Brooks Reed, and Jack D. Wheeler, national directors.

Others who attended the meeting included: J. E. Zollinger, former grand president and now foundation president; Thomas E. Lawrence, Jr., district governor; George, Donald M. Johnson and Charles N. White, Jr., executive vice presidents; Gary E. Griffith, assistant vice president; Donald F. Kindle, Ohio Theta alumnus, and Ralph L. Sellmeyer, Journal editor.

The Sig Eps Journal would like to have the names and addresses of those brothers who have achieved a considerable degree of success in their chosen field. From time to time the Journal will publish stories on brothers who have achieved prominence as an inspiration to those young brothers just starting their life's work.

If you know of such a person, send the information to The Journal editor.

Sellmeyer Named Journal Editor

Ralph L. Sellmeyer, former newspaperman and now associate professor of mass communications at Texas Tech University, assumed the editorship of The Sigma Phi Epsilon Journal, effective with the November-December tabloid issue, that has been announced by national headquarters.

Sellmeyer replaces Don Tanner, former staff member, who took over the editorship in 1971 from veteran editor emeritus John Robson, who edited the publication some 29 years. Tanner is a doctoral student at North Texas State University and resigned in order to give full time to his studies.

The new editor has been a reporter, photographer, feature writer and advertising salesman on several newspapers, including *The Kansas City Star*, *Kansas City Daily Drovers Telegram*, *Independence (Kansas) Reporter*, *The Baldwin (Kansas) Ledger*. Since 1960 Sellmeyer has been on the Texas Tech faculty teaching courses in journalism, advertising and public relations. He is the author of two books, one on photography, the other on the production of school publications. He is also national president and executive officer of ADS (National Professional Advertising Society).

Sellmeyer said he hopes to publish an interesting, attractive and desirable Sig Eps Journal, carrying on from his two immediate predecessors.

"I need the cooperation of all of the undergraduate chapters, as well as the alumni chapters, and our alumni as a whole, if I am to publish an interesting, worth-reading Journal. Therefore I urge all of you to send me information which you feel would be of interest to our Journal readers. Every contribution sent in will be given consideration. I also solicit your suggestions for improvement of the Journal."

Sellmeyer concluded, saying, "This is not my magazine, it belongs to all of the thousands of brothers in the fraternity. It should carry information of value and interest to those thousands, not just what interests the editor."

More news from the alumni chapters is needed. The Journal urges historians or secretaries of each alumni chapter to send in news of the chapter's meetings and activities. Just mail your information to The Journal editor.

The Journal is soliciting nominations from chapters across the country for candidates for All-Sig Eps varsity football team. If you have a brother from your school whom you would like to nominate, send the name(s), picture(s) and a brief biographical sketch(s) to the editor of The Journal. The team will be named in a forthcoming issue.
